

What is a V75 USB battery pack?

The V75 USB Battery Pack features 19,200mAh and is designed to power smartphones, tablets, cameras as well as IoT devices and microcontrollers.

What is a 75Ah deep cycle AGM battery?

75Ah deep cycle AGM leisure battery from TN Power. Maintenance-free with 400-600 cycles at 100% DoD. Suitable for use in motorhomes, campervans, canal boats & yachts.

Are TN power AGM batteries good?

TN Power's TNE series AGM batteries are designed for demanding deep-cycle leisure applications, offering a greater Depth of Discharge (DoD) and a higher number of cycles compared with traditional wet-lead acid batteries. They also have a low self-discharge rate, meaning they can be stored for longer without requiring a re-charge to prevent damage.

How long does it take to get a TN power AGM battery?

Please note: Typically despatched within 2-3 working days (UK Mainland shipping only). TN Power's TNE series AGM batteries are designed for demanding deep-cycle leisure applications, offering a greater Depth of Discharge (DoD) and a higher number of cycles compared with traditional wet-lead acid batteries.
