

Do all HP batteries have a warranty?

Warranty terms for all TYPES Of Batteries: All types of batteries, by default, only have a 1 Year warranty unless an HP Care Pack with Battery Support is purchased. This extends battery support to the full term of the HP Care Pack purchased. General Battery Warranty Terms and HP Care Pack with Battery Support Terms:

What does warranty Type 3 mean?

The warranty type we have had some trouble getting a straight answer. Some say type 3 means 3 years but it appears in laptops known to have a 1 year warranty so that does not seem right. The rest of the information is pretty self-explanatory. The information shows the date your battery was manufactured.

Are rechargeable batteries covered under warranty?

A normal characteristic of a rechargeable battery is that its operating duration decreases over time. Eventually, the battery must be replaced. Based on this characteristic, consumed batteries may not be covered under warranty. Dell also offers an online diagnostics test; go to the Dell online battery diagnostics page.

Where can I purchase a warranty support battery?

Customers can now purchase an optional Three (3) year warranty support battery. This can only be purchased at Point Of Sale (POS). NOTE: The legal warranty period for the laptop and the battery may vary in your location. The battery warranty is related to the laptop invoice date.

How long is a 3 year battery warranty?

The battery warranty length is limited as it is a consumable item. A 3-year battery can only be sold on computers with a minimum 3 year (or longer) warranty. In either case, the battery warranty can expire before the end of the computer warranty. The battery has a sticker, usually with a barcode that can be used to determine the age of the battery.

Is a battery failure covered by the warranty?

You are required to run an HP diagnostic test to determine if a battery failure is covered by the warranty. If you have a separate written agreement with HP, you might also have other legal rights that this document does not exclude, limit, or suspend. The following battery failures are not covered by the warranty.
