

National standard car lithium battery replacement price

How much does a car battery replacement cost in the UK?

Having a car battery replaced professionally in the UK typically costs in the range of £162 to £460, including both the battery and labour installation costs, with prices varying significantly depending on the type of service center.

How much does an electric car battery cost in 2023?

According to Statista, the average cost of a lithium-ion electric car battery in 2023 was \$139 per kWh. This works out as £109.25 per kWh in the UK. While it is still expensive, it is much lower than in 2013 when the cost per kWh was \$780 (£613.04). [How Much Does an EV Battery Cost?](#)

How much does an electric battery cost?

Alongside car make, a significant factor in electric battery costs is battery size. For example, a large battery with over 100 kWh can easily cost over £11,000. In contrast, a smaller battery with as little as 50 kWh will cost around £5,000. Expect to pay more for a Tesla battery replacement than a Fiat 500e or Nissan Leaf!

What is the cheapest electric car battery replacement cost?

The Citroen Ami likely has the cheapest electric car battery replacement cost, as you can purchase a new one for around £600. However, it's critical to note that this short and sweet car only has 5.5 kWh. It has a maximum speed of 28 mph and isn't legal for use on motorways or roads with speed limits above 30mph.

How much would an electric car battery cost per kilowatt hour?

The analysts concluded that this would be down to declining prices of EV raw materials, such as lithium, nickel, and cobalt. This would mean a battery would cost \$99 per kilowatt hour, drastically reducing an electric car battery replacement cost.

What factors affect the cost of a car battery replacement?

Factors affecting the cost include battery size, type, vehicle make and model, labour costs, and advancements in battery technology. Also, batteries for premium cars tend to be more expensive to replace. These elements will all affect your final fee.
