

Which rechargeable batteries should I buy?

For a busy household that's always pressing play, consider a larger set of rechargeable batteries to avoid quarrelling. HiQuick offers eight rechargeable AAAs complete with a universal intelligent battery charger that can recharge depleted batteries in three hours. Each one offers 1100mAh of power.

Are rechargeable batteries better than AA batteries?

Although rechargeable batteries may be more of a popular option, as they offer better value over their lifespan and are better for the environment, a disposable set of alkaline AA or AAA batteries is incredibly convenient.

Are rechargeable batteries better than disposable batteries?

Rechargeable batteries can run for hundreds of cycles, meaning you don't have to buy and dispose of huge quantities of disposable batteries. This is much cheaper and it's better for the environment as well since battery disposal and recycling can be a carbon-intense process.

Are Amazon basics rechargeable batteries any good?

Amazon Basics' AA rechargeable batteries are a great low-cost option. If price is a concern, these Amazon Basics rechargeable batteries are for you. These AA batteries come pre-charged, so you can use them straight away, and they can be charged up to 1,000 times. However, they don't hold a huge amount of juice.

Are best buy batteries any good?

Typically, the Best Buys are also some of the priciest batteries. However, you can save money by opting for high scoring own-brand batteries, where a pack of eight is just a fraction of the price of other Best Buys. Log in to reveal our pick of the best batteries in our tests. Not a member? Join Which? today. Last updated June 2024.

Which AA batteries are best?

We've compared Energizer, Duracell and Panasonic batteries with supermarket own-brand batteries, such as Aldi, Morrisons, Lidl and Sainsbury's, to find the very best. Put a set of one of our Best Buy AA disposable batteries in your most power-hungry devices, such as a camera or torch, and they will last over three hours longer than the worst.
