

The 6 th OBD battery conference Schive AS, Shmuel De-Leon Energy and Battery Norway are pleased to invite you to participate in the 6th Oslo Battery Days, battery conference, which will take place at the Grand Hotel in Oslo, Norway, August 19th, 20th and 21st 2024 ? Your hosts for the conference: Register now

Oslo new energy storage field When operational in 2026, the plant will capture up to 400 000 tonnes of CO2 every year, cutting Oslo's emissions with 17%.

Matching the size of the outgoing 3x3 LCD videowall, the new LED solution fits perfectly into the existing niche, a deliberately sustainable decision. With content driven by LoopSign from CMS ...

OBD "Oslo Battery Days" shall be known as one of the most important battery conferences where big questions of the industry are addressed and debated. ContactS Company: Schive AS Contact: Erik Schwings Hagelien Phone: +47 90 73 91 59 E-mail: post@oslobatterydays

oslo large mobile energy storage vehicle equipment. oslo large mobile energy storage vehicle equipment. Oslo releases funding for heavy-duty EV charging stations. So far, 28 new fast-charging stations for electric trucks and buses in Oslo have been granted 25 million Norwegian kroner (about EUR2.3 mn), said 80% of the cost.

Join us to revolutionize the battery industry and accelerate the clean energy transition. Our innovative approach, utilizing recycled materials from spent battery cells, unlocks the full potential of renewable energy storage, paving the way ...

About Port of Oslo. The Port of Oslo is a dynamic and sustainable maritime hub dedicated to facilitating safe, efficient, and environmentally friendly shipping activities. Located in Norway's vibrant capital, the port serves as a key gateway for international trade, cruise tourism, and local shipping operations.

Port of Oslo has an ambitious goal to reduce emissions by 85% by 2030 and ultimately become a zero-emission port. The Port now provides shore power across 4 facilities, with dedicated services for cruise, international ferries, cement carriers and container ships, plus a mobile shore power facility. ... Battery energy storage system. Electric ...

On August 2022 Hans H. Schive AS and Shmuel De-Leon Energy Ltd hosted the 4rd edition of the Oslo Battery Days Conference. Here you find some highlights to inspire you to join the 5th edition in 2023. Register now

On August 2019 Hans H. Schive AS and Shmuel De-Leon Energy Ltd hosted the 3rd edition of the Oslo Battery Days Conference. Here you find some highlights to inspire you to join the 4th edition on August
