Yes there is! When I bought my 2020 GLC300 SUV in Pennsylvania it had no front bracket because cars in PA have only a rear plate. I moved to Massachusetts last year. I had to get MA plates. And MA has both front and rear plates. So I needed a front bracket. I was anticipating the bumper had to be drilled.

The dealer bought it at and auction in Florida, where they don't use a front plate, so there was no front plate holder on it when I drove it back to Maryland. Local Law Enforcement was not sympathetic. "In Maryland, if it's not a Corvette-you need a front license plate." So, I took it to a Chevy Dealer near my home in Maryland.

ERIC-TILE plain tile roof hook allows for simple solar panel installations on plain/rosemary tiled roofs. No cutting, no sealants and no leaks. Helps prevent tile breakages whilst allowing installers to stand on the ...
