

The latest policy documents on energy storage project support

What is the long duration energy storage Investment Support Scheme?

Long Duration Electricity Storage investment support scheme will boost investor confidence and unlock billions in funding for vital projects. The UK is a step closer to energy independence as the government launches a new scheme to help build energy storage infrastructure.

What does the European Commission say about energy storage?

The Commission adopted in March 2023 a list of recommendations to ensure greater deployment of energy storage, accompanied by a staff working document, providing an outlook of the EU's current regulatory, market, and financing framework for storage and identifies barriers, opportunities and best practices for its development and deployment.

Can long duration electricity storage help decarbonise our energy system?

We're consulting on the policy framework to enable investment in long duration electricity storage. Long duration electricity storage can provide an important contribution to decarbonising our energy system. For example, it can store renewable power and discharge it during periods of low wind.

Why is the government removing market barriers to energy storage?

In its response to EAC's report, published today, the Government has set out the steps it is taking to remove market barriers so as to support the rollout of energy storage projects at scale, in order to keep the lights on when renewable energy generation is low.

What is the 'cap and floor' regime for long duration electricity storage (LDEs)?

Ofgem is the regulator for Long Duration Electricity Storage and oversees implementation of a 'cap and floor' regime for LDES projects, proposed by the Department for Energy Security and Net Zero (DESNZ). The aim of this regime is to stimulate investment in Long Duration Electricity Storage projects.

How do I contact OFGEM about the long duration electricity storage cap?

If you're interested in the FAQ document from this webinar, please email LDES@ofgem.gov.uk. If you would like to speak to someone at Ofgem about our work on the Long Duration Electricity Storage cap and floor regime, please email LDES@ofgem.gov.uk.

Jul 2, 2023 Guangdong Robust energy storage support policy: user-side energy storage peak-valley price gap widened, scenery project 10%·1h storage Jul 2, 2023 Jul 2, 2023 The National Energy Administration approved 310 energy industry standards such as Technical Guidelines for New Energy Storage Planning for Power Transmission Configuration ...
